

Perfect Day in Paris with Kids

Fall in Love with
Paris

YOUR GUIDES ABROAD

Welcome to the day that will make your kids fall in love with Paris! They will be asking to return to Paris before you can casually mention it. This is a full-day outing, so a stroller is a good idea. Walking is on paved sidewalks, a few stairs, and a bit of walking through a forest's dirt path to the amusement park. Route E to F is the furthest and trickiest: 36 mins (2.5 km). Metro Les Sabones station to Concorde for the amusement park to the Tulleries. Download this itinerary to your mobile device ([clickable links](#)) or print it. Download the CityMapper App or Google Maps to navigate.
