YOUR GUIDES ABROAD

Today you will start near the São Bento Train Station and metro stop. The walk is mostly downhill, starting in the Miragaia neighborhood and ending on the Douro River. Enjoy classic stops as you weave through the alleys and shopping streets. The day ends on a river cruise of the six bridges, or continue to a Port Lodge. Choose the stops that sound the best to you, enjoy the architecture, and live that Porto lifestyle. Total walking time is 30 minutes, including both downhill and uphill sections on cobblestones.
