Boat Tour: Volcanic Island

- 🕒 3 to 6 Hours
- € 30 - 35 per Adult
- 👤 0 to 99 yrs old

For us, this is the must-see tour on Santorini. Escape the crowds to sail to the volcanic islands for the hot springs. The longer tour goes to the sister island of Thirassia for beach and taverna time.

Santorini Wine and Village Tour

- 🕒 3 Hours
- € 26 - per Adult
- 👤 18+ yrs old

Visit Gavalas Winery in the traditional village of Megalorochi. We recommend having lunch at a Greek Taverna in the village. Then, book a wine tour in their cool weather cave to learn all about Santorini's rare wines.
